

**UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF VIRGINIA**

**PUBLIC NOTICE**

**END OF SUPPORT FOR NETSCAPE PRODUCTS**

The courts have been advised that America Online (AOL) will discontinue support of Netscape Navigator (the web browser) after February 1, 2008. AOL will continue to release security patches for the current version of the browser until that date. After February 1, however, AOL no longer will provide active product support for any of Netscape's line of products (Netscape v1-v4.x; Netscape v6; Netscape v7 Suite; Netscape Communicator (all versions); Netscape Browser v8; and Netscape Navigator/Messenger 9). While unsupported products will continue to work, "new" security issues discovered in the unsupported software will not be patched by AOL. ECF users who use Netscape Navigator as their browser of choice, should take into account the discontinuation of Netscape support after February 1.

William C. Redden  
Clerk of Court
