Electronic Proof of Claim

FILE YOUR PROOF OF CLAIM FORM ELECTRONICALLY

- If you are filing a proof of claim electronically for the first time, please read all information provided below BEFORE attempting to file your proof of claim using the link.
- This service is provided as an alternative filing option for those parties not eligible to register for CM/ECF who previously had to file their proofs of claim conventionally (in paper) with the court. It may also be used by CM/ECF Registrants.
- A claim filed electronically on this court's website will constitute the filer's approved signature and have the same force and effect as if the filer signed a paper copy of the document. Documents required to be verified or contain an unsworn declaration that are filed electronically will be treated, for all purposes (both civil and criminal, including penalties for perjury), the same as if signed or subscribed.
- Certain personal information must be removed from all documents before electronically submitting the proof of claim form. See the notice below.
