

Cases Report

An option to filter the report by attorney name or Bar ID now appears on the selection screen.

The screenshot shows the ECF Cases Report selection screen. At the top, there are navigation links for Query, Reports, Utilities, and Logout. Below the title 'Cases Report', a warning message states: 'Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges)'. The form includes several filter options: Office (Pleasantville, Green Valley), Case Type (ap, bk), Chapter (7, 9), Trustee (Carson, Sam J., Chapter 11 Trustee), and Attorney (Last name, First name, Bar ID). The Attorney section is highlighted with a red box. Below these are Date Type (Filed date), Date Range (From 3/23/2011 to 3/23/2011), checkboxes for Open cases and Closed cases, checkboxes for Party information and Pro se cases only, a Sort by dropdown (Filed Date), and Output Format options (Formatted Display, Data Only). At the bottom are Run Report and Clear buttons.

When a name is entered, a list of matching attorney names is displayed for your selection.

This screenshot shows the same ECF Cases Report selection screen as the previous one, but with the 'Last name' field containing the text 'tracy'. A dropdown menu is open below the field, displaying a list of matching attorney names: 'Tracy, Dan S.', 'Tracy, Dayne L., II (Bar Id: 1235698)', and 'Tracy, William'. A red box highlights this dropdown list. A 'Search' button is visible to the right of the input field. The rest of the form, including the warning, other filters, and output options, remains the same as in the previous screenshot.

Once you click on an attorney name, it moves to a Selected box. It is possible to select a report with multiple attorneys by performing additional searches. An additional filter displays so you can narrow your search using check boxes for role types of the parties the attorney represents; debtors, plaintiff, defendants, creditors, or all. You can also choose to view only cases with *pro se* filers.

Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges).

The report is now limited to a range of 31 days. This prevents you from unintentionally requesting a large data set, which would result in an unnecessarily large PACER fee.

The Judicial Conference of the U.S. Courts has set a policy for sealed cases on this CM/ECF report. Limited sealed case information is allowed including only the case number, entered and filed dates, and divisional office. Names of debtors, plaintiffs or defendants will be protected by being displayed as “Sealed” for bankruptcy cases and “Sealed v. Sealed” for adversary proceedings.
