

E-Mail Security

When creating or updating e-mail addresses on user accounts, all users will be prompted to enter both primary and secondary email addresses twice; the address is not saved until the fields match.

Opportunity to Decline Notices of Electronic Filing

Attorneys who represent parties in an adversary proceeding now have the option to choose whether they want e-mail notifications of bankruptcy activity if they have no direct involvement in the bankruptcy case. Currently, these attorneys receive all e-mail notifications from both cases. In the menu selection “Maintain Your ECF Account”, “Email information”, attorneys can select this new option to decline notification for related bankruptcy cases.

Courts may override this option in some instances if the Clerk of Court has identified certain events in the bankruptcy case that should be noticed to all parties in all related cases.

Combining Noticing Recipients on BNC Certificates of Notice

When a pleading is noticed through the Bankruptcy Noticing Center (BNC) and by CM/ECF Notices of Electronic Filing (NEF), users will no longer have to look in two locations to determine who was noticed. The BNC Certificate of Notice will display noticing activity for both methods. Case participants who were noticed in CM/ECF by electronic mail will be appended to the BNC Certificates of Notice.

Terminated Parties

Previously, when a party was terminated, the terminated party did not receive notice of the event. Now the terminated party is included in the noticing list for that one event.
