EASTERN DISTRICT OF VIRGINIA**

**CM/ECF SYSTEM PRACTICE ADVISORY NO. 02-2**

**BANKRUPTCY CM/ECF VERSION 1 MODIFICATION  
RELEASE NUMBER 6**

Bankruptcy CM/ECF Version 1 Emergency Modification Release Number 6 has been released by the Administrative Office of the United States Courts (AO) to CM/ECF bankruptcy courts and now is available for use in the Eastern District of Virginia. A number of modifications are contained in this release, including corrections to public-access-related billing errors. Some of the more prominent changes are:

- ***Compatibility with Internet Explorer v. 5.5:*** The software has been certified by the AO as being compatible with Internet Explorer 5.5
- ***“Claims Amount” Fields:*** The “Claims Amount” fields now display “blank” instead of \$0.00 when the value is null.
- ***“Amends Claim #” and “Duplicates Claim #” Fields:*** When filing claims, Full and Limited Participant Users may now use the “Amends Claim #” and “Duplicates Claim #” fields via the Internet. Use of these fields had previously generated an “Error” message.
- ***Creditor Mailing Matrix and Data Only Recipient List:*** The “Creditor Mailing Matrix” has been modified to include all non-terminated parties in the case.
- ***Adding Attachments to Claims:*** A modification has been made to prevent the user from adding an attachment without selecting a type and/or entering a description for the claims. Recipients of the “Notice of Electronic Claims Filing” now can view attachments.
