

**UNITED STATES BANKRUPTCY COURT  
EASTERN DISTRICT OF VIRGINIA**

**PUBLIC NOTICE**

**New Mobile Device Application for Court Hearings and Section 341 Meetings of Creditors  
is now Available**

The United States Bankruptcy Court for the Eastern District of Virginia is pleased to make available ChapMobile, a free mobile application that displays public calendared hearings and Section 341 Meetings of Creditors in a user-friendly format. This application is available for use by attorneys and trustees who want to track their hearings remotely via Android and iOS mobile devices. The general public also can view all such public calendared information. In addition, public calendared information from other participating courts can be viewed by all users. ChapMobile is available to internal Court users as well. ChapMobile was developed and is maintained and supported by the United States Bankruptcy Court for the District of Utah.

Information regarding the use of the ChapMobile application has been placed on the Court's internet web site Home Page and is accessible under the "Hearing Info." button located near the top of that page, at [ChapMobile Application](#).
